

LOPES PINTO

LP LAW | ADVOGADOS ASSOCIADOS

ENERGY, OIL AND GAS

For over 20 years, LP Law has been involved in the main legal discussions, regulatory and contractual, in the Energy and Oil & Gas sectors in Brazil. The firm provides advice to numerous companies participating in bids for the exploitation of oil blocks and energy contracting in the country, with regulatory and legal risk analysis related to regulated activities, in the drafting and execution of contracts, in compliance with the rules of request for proposals and in the monitoring of business opportunities.
