LP LAW | ADVOGADOS ASSOCIADOS

STRATEGIC LITIGATION AND ARBITRATION

In addition to consulting, which seeks creative and structural solutions to the needs of its clients, LP Law also offers an area specialized in litigation, focusing on strategic demand. With an exclusive service for each client, LP Law has a strong and permanent presence at the main courts of justice and the superior courts of the country. Recognized for the originality of legal interpretation in matters that involve contractual discussions in the scope of corporate, maritime and regulatory law, this department is well-known for its dedication and intensity in defending the interests of its clients and their strategic demand. LP Law also has experience and participation in important national and international arbitrations and mediations, thus offering its clients the possibility of an excellent performance in judicial and administrative disputes.
